

IT WILL BE ALRIGHT! - Brian Courtney

FOREVER YOUNG - BOB DYLAN

**Alright, alright
It's going to be alright
Alright, alright
It's going to be alright
Alright, alright
It's going to be alright**

**CHORUS: Alright, Alright
Make it through, even the darkest
night
You might have to cry
But don't give up the fight
Solo: Know that this, is not the end
Wait and see, it will be alright)
Alright, Alright!**

**Verse 1: Life can bring, its share of
pain
Enough to make you doubt
Whether life is worth the living here
And if you go through it
Can you still make it out?
There is an answer...**

CHORUS:

**Solo 2: Time can fill with test and
trials
That no man can escape
So may your steps be ordered by God
Cause He knows how much you can
take He is the reason...**

**BRIDGE :I know you have seen better
days before
And now you're wondering if there
will be more
But you ought to believe this, testing
of your faith
Is part of the plan when you're in
God's hands**

OUTRO:

**Alright, Alright, Alright
Wait and see, it will be alright!**

**May God bless and keep you always
May your wishes all come true
May you always do for others
And let others do for you
May you build a ladder to the stars
And climb on every rung
May you stay forever young**

**Forever young, forever young
Stay, You stay - forever young.**

**May you grow up to be righteous
May you grow up to be true
May you always know the truth
And see the light surrounding you
May you always be courageous
Stand upright and be strong
May you stay forever young**

**Forever young, forever young
Stay, You stay - forever young.**

**May your hands always be busy
May your feet always be swift
May you have a strong foundation
When the winds of changes shift
May your heart always be joyful
And may your song always be sung
May you stay forever young**

**Forever young, forever young
Stay, You stay -**

**(Forever young, and may you stay,
You stay - repeat to End).**
