

KEEP YOUR HEAD TO THE SKY (as performed by Maysa) - originally recorded by Earth, Wind and Fire!

Choir:
Keep your head to the sky!
Keep your head to the sky!

Solo v1: My God told me one day
I'd find peace in every way
But in search for the clue
Wrong things, I was bound to do
Keep my head to the sky
For the cloud to tell me why
As I grew and with strength
He kept me as I repent and he said

Choir:
Keep your head to the sky!
Keep your head to the sky!

Solo v2: He gave me the will to be free
Purpose to live His reality
And I found myself never alone
Changes came to make me strong
He said 'step right up' be all you can
'Cause you need faith in your life to understand"
So we're saying for you to hear
Keep your head in faith's atmosphere

Choir:
Keep your head to the sky!
Keep your head to the sky!

VAMP:
Keep your head to the sky,
And the clouds will tell you why;
I said, keep your head to the sky
And the clouds will tell you why, every time

Choir/Outro::
Keep your head to the sky!
Keep your head to the sky!
